

## **What makes Switzerland the top country in the world?**

US News & World Report has ranked Switzerland the best country in the world for four years in a row. It is actually the fifth year of this country to rank the first. People can actually enjoy a high quality life and also run their own business in this place.

### **What makes Switzerland so worthy of this praise?**

**Tasty Food.** Cheese and Chocolate are the best food in this country! Tourists love them so much. If you ask a Swiss person how they work to get along with each other despite their differences, a great and inspiring answer will be “shared love for cheese.” This is how Swiss People show their love to others. It may be a chocolate or a delicious cheese.

**Film Locations.** Switzerland is famous for its Alpine landscape; this place is famous for being cold, windy, and snowy, and characterized by low growing season temperatures and a very short frost-free period. This is what film makers love the most! It is not difficult to capture any moments in this country.

**Healthy Lifestyle.** Swiss people are known for leading healthy lifestyles and for their great healthcare system. This is one of the reasons why it ranked the first in the World’s Leading Country!
